The PSAHPERD SPEAKERS BUREAU!

NEW in 2010! The Pennsylvania State Association for Health, Physical Education, Recreation and Dance, Inc. (PSAHPERD) Speakers Bureau is where you can find the speaker you need for your workshop or in-service.

WHAT? The PSAHPERD SPEAKERS BUREAU is a data bank of PSAHPERD Members who have an expertise in a specific topic and a desire to share this knowledge with others through presentations, workshops, or through consulting.

HOW TO USE - If you are an organization looking for presenters (NO CHARGE by PSAHPERD for this service):

Step 1

•Contact Linda Woods Huber, PSAHPERD Executive Director at lhuber@pdt.net or at 717-627-1176 and discuss with her the type of speaker your organization or school district is looking for.

Step 2

•Linda will provide a list of names and contact information of PSAHPERD Speakers Bureau presenters who most closely match your needs. This list of names is FREE! PSAHPERD will also give you evaluation forms that you can use to evaluate the speaker and presentation for your own information and for PSAHPERD so that the strength of various speakers & presentations can be tracked!

Step 3

•Your organization is then free to use the presenter list as you see fit. PSAHPERD generates names, the rest of the process is up to the organization, including the contacting of potential speakers, the negotiating of services and costs, dates, times, and evaluations.

HOW TO USE - If you are a PSAHPERD Member who would like to be included in the Speaker Bureau Listing as a presenter (NO CHARGE by PSAHPERD for this service!):

Step 1

•Complete a "PSAHPERD Speakers Bureau Application Form" and return it to the address on the form. Forms will also be available at www.psahperd.org in January, 2010. Please note that you must be a current member of PSAHPERD in order to apply for Speaker Bureau membership.

Step 2

•All applications will be processed through the PSAHPERD Executive Director's office. A review committee will be responsible for the selection of speaker bureau members, and the Executive Director will be responsible for the ongoing maintenance of the database.

Step 3

•All presenters selected for the Speakers Bureau will be placed in a data base. When organizations request speakers and list specific topics, the Executive Director will search the data base for appropriate speakers, generate a list of names and their contact information, and give the list to the requesting organization. The organization/agency and the presenter will be responsible for all other actions - costs for services, times, dates, locations, evaluations, follow-up, etc.

WHEN CAN WE START USING THE SPEAKERS BUREAU? The PSAHPERD Speakers Bureau is scheduled for implementation on **March 1, 2010**. Presenter applications are being taken now!
